

# Without God I Could Do Nothing

Mahalia Jackson

Yes,  
Without God, I could do nothing, Oh Lord  
Without God, You know all my life would fail  
Without God, My life would be rugged, Oh Lord,  
Yes, Just like a ship, (just like a ship)  
Without a sail (Without a sail)

Mmmmm  
Without a doubt, he is my Savior,  
Yes, my strength, alone, alone life's waves  
Yes, In deep waters, my God, he is my anchor  
Lord, through faith he'll keep me unaway

Yeah, Without God, I could do nothing, Praise God  
Without God, you know my life would fail hmmm  
Without God, Life would be rugged, Oh Lord  
It be like a ship (like a ship)  
Without a sail (without a sail)

Mmmmm  
I'm leaning and depending on Jesus  
And I'm trusting in him everyday  
I'm waiting, I'm just waiting for my savior  
Because one of these old days he gonna dry all my tears  
away

Yeah, yeah,  
Without God, I could do nothing, Praise the Lord  
Without him, do you know my life would fail, Ummm Lord  
Without God, My life would be rugged, Oh Lord  
Just like a ship (like a ship)  
Without (without a sail) a sail
