## For The Rest Of My Life

I praise Allah for sending me you, my love You've found your home, it's here with me And I'm here with you Now let me let you know You've opened my heart I was always thinking that love was wrong But everything was changed when you came along Oh And there's a couple of words I wanna say

For the rest of my life I'll be with you I'll stay by your side honest and true 'Til the end of my time I'll be loving you, loving you For the rest of my life Through days and nights I'll thank Allah for opening my eyes Now and forever I I'll be there for you

I know it deep in my heart I feel so blessed when I think of you And I ask Allah to bless all we do You're my wife and my friend and my strength And I pray we're together in Jannah Finally now I've found myself, I feel so strong I guess everything was changed when you came along Oh And there's a couple of words I wanna say

For the rest of my life I'll be with you I'll stay by your side honest and true 'Til the end of my time I'll be loving you, loving you For the rest of my life Through days and nights I'll thank Allah for opening my eyes Now and forever I I'll be there for you

I know it deep in my heart And now that you're here In front of me I strongly feel love And I have no doubt And I sing it loud that I will love you eternally

For the rest of my life I'll be with you I'll stay by your side honest and true 'Til the end of my time I'll be loving you, loving you For the rest of my life Through days and nights I'll thank Allah for opening my eyes Now and forever I
