Thank You Allah

I was so far from you Yet to me you were always so close I wandered lost in the dark I closed my eyes toward the signs You put in my way I walked everyday further and further away from you

Ooooo Allah, you brought me home I thank you with every breath I take

O OOOOO O OOOOO All praises just to Allah

I never thought about All the things you have given to me I never thanked you once I was too proud to see the truth And prostrate to you Until I took the first step And that's when you opened the doors for me Now Allah, I realized what I was missing By being far from you

D DDDDD All praises just to Allah

Allah, I wanna thank you I wanna thank you for all the things that you've done You've done for me through all my years I've been lost You guided me from all the ways that were wrong And did you give me hope

O Allah, I wanna thank you I wanna thank you for all the things that you've done You've done for me through all my years I've been lost You guided me from all the ways that were wrong I wanna thank you for bringing me home

D DDDDD All praises just to Allah
