

# A Million Bucks

Maino

Swizz  
Hey hey oh hey

Maino  
Hey Swizz  
I think I woke up on the right side of the bed  
That's how I feel

I think I might give away a million bucks  
I think might give away a brand new truck  
Cause I feel good  
Yea I feel good  
Cause I feel good  
I think I might take a lot of shopping sprees  
You in the club goddamn all drinks on me  
Cause I feel good  
Yea I feel good  
Cause I feel good  
Hey

Maino  
Good Lord look what a beautiful day  
My enimes gone ain't here they gone away  
I feel good  
Everything is ok  
I feel like givin all my money away  
Cause niggas is broke ain't no bread in the hood  
Look what they did they sellin Feds in the hood  
I ain't going to change I'm coming back through the hood  
Do what I do and then back to the hood  
I'm blessed I went places I never been  
I lived to see a black president  
I'm good, yes I feel good  
Drinks on me baby what's good!

For the ones who got more than 1 mouth to feed  
Gas so high got em' riding on E  
Daddy needs shoes and kids gotta eat  
They can have every last Penney on me  
Me and swizzy rollin' in the lambo  
Sit back reminiscing this and when I never had no  
Dollas, pride is well poor dear mama  
Stuck to the fight like a drained out boxer  
So I know what it feels like to not have much  
I should give away what I made last month  
I gotta a lot to feel good about  
I think I'm gonna give away a good amount

One shot for my niggas in the state pen  
Two shots for my niggas still hustling (ra)  
I feel good  
I'm so good  
Man I rose from the bottom and it feels good

Swizz  
Man I'm a introduce to you a new dance (new dance)  
It's called the money dance (echo)

You pull the money out your pocket like this (like this)  
You put your hands in the air like this (like this)  
And you simply just um.  
Bounce throw it all around  
(Throw) throw it all around  
(Throw) throw it all around  
(Throw) throw it all around  
A little more now  
Throw it all around  
A little more now  
Throw it all around
