The second of none it's the first to me  
And to put it more blunt  
I'm a be me

Kanye Make beats

I can't sound like I'm from the south  
I'm from the star  
Real niggas they love me for doing what I do  
The streets know I don't make songs like Common do  
I don't jump around like in Busta video  
But I lay a nigga down like a busta video

My nigga B.G.  
My nigga T.I.P.  
I know they love outkast  
But that ain't me  
I could be me  
I'm a be me  
I can't copy no man  
I'm a be me  
Look how Akon sing  
I can't do that  
And I don't make songs like Tylin  
You know that  
I can only be me  
I'm a be me  
I can't be what I'm not  
I'm a be me

I make my music  
Shit that I like music  
Me being me  
Original fight music  
Our street music  
Stayin to beef music  
See a nigga shoot  
You poppin your heat music  
This not cam music  
Nigga this is man music  
First day home  
Fresh out of the can music  
Straight music  
None of that mase music  
Black bandana tied to your face music  
Thug music nigga I'm not ludacris  
Drunk music listen to how I'm doing this  
Real music accept or refuse it

And ya'll already know exactly who it is

I ain't big homie  
I ain't Jay-z  
I can't do it like snoop  
Baby that ain't me  
I can be me  
I'm a be me  
I can't copy no man  
I'm a be me  
Look how diddy dance  
I can't do that  
And I don't wear my clothes  
Like Jim Jones  
You know that  
I can only be me  
I'm a be me  
I can't be what I'm not  
I'm a be me
