A nigga play he gon' it cause Imma headshot him
They say I move like Tut before the Feds got him
I'm a gang leader, in a white wife beater
Tattered black flagged up In a two seater
Bitches notice me by the scar, know its me
The four fifth in my coatsleeve, coatsleeve

That's what hell is dog
My niggas back and forth like it's a damn resort
This is for my niggas that grind and have pistols on them
Don't play with police we draw pistols on them
