Look at the passenger side you see the bitch man  
Niggas know I'm thuggin'  
That's why they hate me comin'

Cause when I come to the club  
That's when the trouble comes in  
But they don't worry me  
But you ain't heard of me  
I'm a G, Baby  
Not a celebrity  
I ain't got rap friends  
Got homies all in jail  
I'm in a black benz  
Getting' drunk as hell  
With that grey goose, more patron shots  
I ain't afraid to shoot  
I let it pop
