

I'm the leader of the movement, the blueprint, I put goons in
If you sick and tired of the lies, I'm where the truth went
I'm alive, the winning kind, I see dollar signs

Niggas follow me like they reading from the Koran
Fuck hoes, my bitch, she flying in from..
Real respect real, I pack still ridiculous
Villainous, these lame niggas is frivolous
Remember us? The Double R, we hustle hard
Shine bright like 40 lights in 20 cars
Trill movie bitches like groupie bitches

Put them to sleep, I'm a general for my criminals

These lames fall like dominoes
Ruthless, got one gun with two clips
Group shit, one dip for two chicks
Goon shit, a couple bloods, a few creeps
Group six hoping out for a few flicks
Living better now, Gucci leather now

On the fly shit, your highness, the life is
Surprise, bitch, you wing back, you my bitch
To touch me you need an elevator
Top floor, good view, I'm in heaven, hater
It's rules to it, it's deep rooted, I been through it
