

I don't know if I still have the strength to get up again  
I don't know if I can face my own reflection  
Jesus, take this heart that feels so cold again  
And make it new

I hold this hope inside that You'll never leave me

When all around me starts to fall  
And when my faith it seems so small  
Even in my darkest hour, I will believe

I don't know how I could turn my back and walk away  
All I really want is for Your love to hold me  
Jesus, take this heart and make it whole again

I know You'll never leave me

When all around me starts to fall  
And when my faith it seems so small  
Even in my darkest hour, I will believe

Even if the sun begins to fall  
Even when I feel nothing at all  
Even if I'm all alone, I will believe  
I believe, I believe, I believe

When all around me starts to fall  
And when my faith it seems so small  
Even in my darkest hour

When all around me starts to fall  
And when my faith it seems so small  
Even in my darkest hour, I will believe

Even if the sun begins to fall  
Even when I feel nothing at all  
Even if I'm all alone, I will believe  
I believe, I believe, I believe  
Even if I'm all alone, I will believe
