

# Hang On

Mainstay

I don't know how I got to where I am  
All I know is that I wanna go back  
To the moment when I fell in love with grace  
And I hear you whisper

Hang on, hang on  
I know your hope seems gone  
Hang on, hang on  
Sometimes the heartache makes you strong

I try my best to pray but my heart won't move  
And all the words the saints say, they just don't help  
I wanna go back to when I first called out Your name  
And I hear You whisper

Hang on, hang on  
I know your hope seems gone  
Hang on, hang on  
Sometimes the heartache makes you strong  
Remember the first time love turned you around

To the moment when I fell in love with grace  
To the day when I first called out Jesus' name  
Jesus

Hang on, hang on  
I know your hope seems gone  
Hang on, hang on  
Sometimes the heartache makes you strong, oh

Hang on, hang on  
I know your hope seems gone  
Hang on, hang on  
Sometimes the heartache makes you strong

Remember the first time love turned you around  
I remember the first time love turned me around  
Remember the first time love turned you around
