

## Childhood's End

Majical Cloudz

Someone died, gunshot right outside  
Your father, he is dead  
I see him in my head  
Childhood's end  
Goodbye my holy friend  
Love me, it's a sin  
Can you see me caving in?

Went down, went down, went down  
Went down, went down, went down  
It's weighing down, weighing down, weighing down  
On me, me, me  
Me, me, me  
Me, me, me  
Me, me, me

Brothers feel  
Killing time standing in the field  
Our fate, it is sealed  
At birth we made a deal  
I don't cry  
God, tell me why  
Love, death, night flight  
Best friend crucified

Went down, went down, went down  
Went down, went down, went down  
It's weighing down, weighing down, weighing down  
On me, me, me  
Me, me, me  
Me, me, me  
Me, me, me

Won't someone come  
Won't someone come  
Won't someone come  
Won't someone come  
Won't someone  
For me, me, me  
Me, me, me  
Me, me, me  
Me, me, me
