Turns Turns Turns

Majical Cloudz

I don't know, I don't oh oh
I did something feel I
Can t tell if it s wrong
Running, cross eyed
Hear it the sound of my lungs
I m hoping that it feels good,
It turns, it turns, it turns
Trying to breath in,
in turns, in turns, in turns
I m hoping that it's easy
It turns, it turns, it turns
I don't know oh oh

What you don t know
Eyes turned, cheeks burned
Tell me where do I go?
I m hoping that it feels good
It turns, it turns, it turns
Trying to breath in,
it turns, it turns, it turns
I m hoping that it's easy
It turns, it turns, it turns
I m hoping you believe me
It turns, it turns, it turns, oh, oh
I don't know oh oh
