

## A Place Like This

Majid Jordan

It's a difficult place...

It's a difficult place when it gets like this, uh-huh  
It's hard to raise a child when it gets like this, uh-huh  
Oh, giving this my all was my only wish, uh-huh  
But, it's hard to do you right when it gets like this, uh-huh

Your wish, my command, uh-huh  
So go on, take my hand, uh-huh  
Go on, take my hand, there's nothing left to do, uh-huh, uh-huh  
We're better off as two, uh-huh, uh-huh

It's a difficult place when it gets like this, uh-huh  
It's hard to teach a child when it gets like this  
What they offering you in a place like this?  
What they promising you when it gets like this?

Your wish, my command, uh-huh, uh-huh  
So go on, take my hand, uh-huh, hey, uh-huh, hey, uh-huh  
There's nothing left to do, uh-huh, hey, uh-huh  
We're better off as two, uh-huh, uh-huh, uh-huh

Brings a tear to my eye when you remind me, uh-huh  
How you came to my side and you stayed by me, uh-huh  
You saying I think it's time we made that decision, uh-huh, uh-huh  
It's the type that you and me won't even mentioned, uh-huh, uh-huh

Your wish, my command, uh-huh, uh-huh  
So go on, take my hand, uh-huh, hey, uh-huh, hey, uh-huh  
There's nothing left to do, uh-huh, hey, uh-huh  
We're better off as two, uh-huh, uh-huh, hey, uh-huh, hey

Said I, I did it all for you  
You're all I want  
(Oh-oh-oh)  
Said I, I did it all for you  
(Oh-oh)  
Held my hand  
What they offering you  
(Oh-oh)  
What they offering you, what they promising you  
Cause I swear it's not better than what I would do
