

Breakaway

Major Accident

I made my reservation, I'm leaving town tomorrow
I'll find somebody new where there will be no more sorrow
but that's why i do each time and I can't follow through
I can't breakaway I can't say goodbye
I can't breakaway though you made me cry
No I never never breakaway from you, no, no
no, no, no, no, no
no, no, no, no, no
no, no, no, no, no

I'll make this vow each time, you and I are through
Each time i say goodbye, sorry just wont do
these things I say each time but I can't follow through
I can't breakaway though you made me cry
I can't breakaway no matter how I try
No I never never breakaway from you, no, no
no, no, no, no, no
no, no, no, no, no
no, no, no, no, no

Even though you treat me bad and cruel words are spoken
You have got a spell on me that just can't be broken, no, no

I'll take your picture down and throw it away
There'll be no baby now, for you to call each day
That's what I'll say each time but I can't follow though
I can't breakaway I can't say goodbye
I can't breakaway though you made me cry
No I never never breakaway from you

Breakaway (4x)

I can't breakaway, I can't breakaway, I can't breakaway
