

Respectable

Major Accident

I ran away, I ran away
Because of you, now look at you

You let me down, you let me down
You played around, all over town

You put him down, you put him down
Looks so red, worse things are said

It's all a lie, it's all a lie
What they make out, don't hang about

I run again, I run again
Another way, another day

All is lost, time is running out for me
I look ahead, there's nothing I can do
I turn back to the life, the life I used to lead
If I'm caught I'll blame it all on you, you, you
