

Twisted Mind

Major Accident

I live here with my mummy
She doesn't move no more
I think she must be sleeping
I left her on the floor
She slept there for a long time,
She's getting very thin
Black holes where her eyes should be,
The flies are crawling

I cut their arms and legs off
And cut up all the rest

I thought my mum was pining
Because daddy went away
So I went down to his gravesite
And dug him up one day
I laid him down with mummy
Together on the floor
Went back to the graveyard
And got a couple more

Sat them round the table
Then took one up to bed
Played my naughty game
Then she lost her head

I've got to tie you up
Cause you'll only run away
And then when you stop crying
We can start to play
I know that you don't like me
But I don't really mind
Call me lots of names
And that's not very kind
I think you're very pretty
I'm very glad you came
But I think you'll look better
When we play the punching game

Thought my mum was sad
Cause my daddy went away
So I went up to the graveyard
And dug him up one day
I laid him down with mummy
Together on the floor
Then I went up to the graveyard
And got a couple more
I've got to tie them up
In case they run away
And then when you stop crying
We can start to play

Twisted mind don't feel no pain
Twisted mind kill again
Twisted mind ain't got no fear
Twisted mind I'm feeling glad that you're here
