

# Know No Better

Major Lazer

Straight up

Wrist look like it been dipped  
Dipped in that dipped in that  
Script look like it been flipped  
Flippin that flippin that  
Pull up in that foreign my God  
Whole squad get in that get in that  
Please say it ain't true had to go and cop two  
Hell nah we can't fit in that

Wild ones like we fresh out the cage  
Show time baby fresh off the stage  
Bad lil mama fresh off the page  
Front you like you love, but you know that you hate it  
Yeah You know know better  
Yeah You know know better  
Yeah You know know better  
oooooh

Yeah you know know better...  
Say you different who you kiddin yeah you know know better  
Ooooh Save that talk for the ones who don't know no better  
Cause baby I know you better  
Cus Baby I know no better  
Baby I know you better  
Baby I know  
Baby I know you better x3  
Baby I know, know no better

Top all dropped on my whip  
Whippin that whippin that whippin that  
Yellow and that purple on mix  
Mixin that mixin that mixin that  
Copped my bitch from the tropics  
You know where she sittin at  
Takin shots pourin Bottle after bottle  
After bottle  
Hell nah we ain't sipping that

Wild ones like we fresh out the cage  
Show time baby fresh off the stage  
Bad lil mama fresh off the page  
Front you like you love but you know that you hate it  
Yeah You know know better  
Yeah You know know better  
Yeah You know know better  
oooooh

Yeah you know know better...  
Say you different who you kiddin yeah you know know better  
Ooooh Save that talk for the ones who don't know no better  
Cause baby I know you better  
Cus Baby I know no better  
Baby I know you better  
Baby I know  
Baby I know you better x3

Baby I know, know no better

Drop top on the whip

(Drop Top)

Double ranch on the chips

Ice cream gave her chills

(Ice Cream)

Too much cash pay the bills

I make her ride Mercedes

(Scoot scoot)

I can afford the latest

Baby ignore the ratings

(Ignore em)

Cus pull up, we pump up, we raging

We know no better

Stack my bread up

(Stack)

Don't get fed up

Nope

Ain't go let up

You told me to shut up

But ima do better

It's not my race

Get out my face

(Get out)

Drop My Case

(Drop It)

Which Way?

That Way

Yeah you know know better...

Say you different who you kiddin yeah you know no better

Ooooh Save that talk for the ones who don't know no better

Cause baby I know you better

Maybe I know you know better

Maybe I know you better x3

Baby I know, know no better
