

## It's Now Or Never

## Make Me Famous

HEY!

Go. lose your fear and show your rage  
Raise your fist and break up your cage  
Make your enemies fight for their lives  
Again until they will kneel down and die

Go. lose your fear and show your rage  
Raise your fist and break up your cage  
Make your enemies fight for their lives  
Again until they will kneel down and die
