

Anthem

Malcolm McLaren

On a night like this
In this great city
The same skies these trees these passers by
The whole calm romantic clumsy life

I'd like to go to Paris on the Seine
'Cos Paris is a friend
A proper friend of mine
I'd like to go to Paris on the Seine
And I'd like to go again to Paris on the Seine
And I'd like to live in Paris
In Paris all the time

On a night like this
In this great city yeah
The same skies these trees these passers by
The days go by, I remain!

And I'd like to go again to Paris on the Seine
"Cos Paris is a friend
A proper friend of mine
I'd like to go to Paris on the Seine
And I'd like to go again to Paris on the Seine
And I'd like to live in Paris
In Paris all the time
