

## Enslaved

## Malevolent Creation

Darkened forms surround you  
Decayed rotten stench  
Casualties are sent down  
Nightmare has begun

Lambs to the slaughter  
Waiting to die  
Your land infested  
Killer elite

Last day alive  
Don't want to die  
Unknown reason  
Your race enslaved

Anger, hatred, brings out your savagery  
Soldiers, bred to fight, conquer, dominate  
Achieve nothing when you try to resist  
Perished are your rights, they mean nothing true

Lies

Leaders inhuman  
Wearing your skin  
Hours of torture  
Off with your head  
(2x)

Darkened...  
...killer elite

Last day alone...  
...race enslaved
