

## Hideous Reprisal

## Malevolent Creation

Broken hide, torn back skin  
Drown in blood and pain

Mangled, malignity  
Innards manifest  
Tendons, peel back  
Carnage ripped

Muscles flap, nerve ends shriek  
Spine torn from your brain

Mangled...  
...carnage ripped

Trash

Vile stench, shredded vein  
Blue pus spewing pure  
Dislocate, broken legs  
Mutilated form

Rip, splore

Broken hide...  
...blood and pain  
Muscles flap, ripped in half  
Spine torn from your brain
