

## Infernal Desire

## Malevolent Creation

Animal remains, mutilations  
Organs removed, homicide of humans

Jugular veins, torn wide open  
Blood is drawn, High priest obeys

Freedom of religion  
One law abused and raped  
Carcass filled maggots  
Stalking innocent life  
Become a believer  
Your soul, for them to make

Pagan followers, looked down upon  
Cast forth in robes, aloud they pray

All that is holy, now far gone  
Victim beheaded, sacrifice made

Carcass filled  
Soul for them to make
