

## Strength In Numbers

Malevolent Creation

Pile up the masses  
Ready to make our strike  
Try to play us  
Raise up it's now our time

Put down too long  
As we lay in wait  
Gather the many  
Onward now we slay

Maybe now they'll notice  
This is for real  
Minions will assemble  
Sounds start to tremble  
Strength in numbers

Pile up the masses  
Ready to make our strike  
Try to play us  
Raise up it's now our time

Put down too long  
As we lay in wait  
Gather the many  
Onward now we slay  
RISE

Waiting for our call  
As one standing tall

Our Strength in numbers  
Will Rise
