

# Conqueror

Mali Music

The enemy comes only to  
steal, kill and destroy  
and because we don't know  
who and whose we are  
we let them come and steal our joy

Yes it's true we are fall short  
but still that gives us no excuse  
the enemy is fighting you  
just tell him to prepare to lose

'cause I'm more than a conqueror  
I'm more, more than a conqueror  
I'm more, more than a conqueror  
I'm, I'm more, more than a conqueror

Because of God's covenant with me  
I always have the victory  
No matter what you take from me  
God still get's glory from me

The kingdom suffering violence  
and the violence taketh more for force  
so today we make a stand  
Cause we're not taking it no more

More than a conqueror
