

Look at that dress  
Know you look good the way you did it  
Lost my interest  
Cared for you I did, now I get it

And now I'm trying to find a way to vent  
But it really ain't the time or place, yeah  
So I congratulate you love  
I'm glad you found your love  
God bless your marriage  
If I could walk away

I will, if I can, yeah  
It's only you, why  
Watching it all unfold, oh yeah  
Didn't expect to be this close  
Feels like a funeral  
Walk away I will, if I can  
(Ooh, ooh) Eh-eh if I can  
(Ooh, ooh) Eh-eh if I can

Had to see it to believe it  
So I could let the pain sink in  
Never thought I'd be on the outside  
Looking back over our lives  
Never thought we would end like this

And now I'm trying to find a way to vent  
But it really ain't the time or place, oh yeah  
So I congratulate you love  
I'm glad you found your love  
And if I could walk away

I will, if I can, yeah  
It's only you, why  
Watching it all unfold, oh yeah  
Didn't expect to be this close  
Feels like a funeral  
Walk away I will, if I can  
(Ooh, ooh) Eh-eh if I can  
(Ooh, ooh) Eh-eh if I can  
(Ooh, ooh) Eh-eh if I can  
(Ooh, ooh) Eh-eh if I can

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh
