

# Impulses

Mali Music

There you are happy as can be  
Your saved, you got Christ, your free  
You love The Lord God with all your heart  
A part of you questions who you are  
Starting this long war to stay pure and Holy for the God that you know you love  
Then you hear a song  
You sing along  
You smell cologne or view pictures in your phone  
And you sit back thinking that you're in control

When temptation impulses come they rape and beat you  
Violate and then they leave you  
Never knew it could control your mind  
But it's not over there is hope for you to live again  
Repent  
God loves you  
Just seek His Face  
Get the Word  
Renew your mind  
To fight impulses.

Now everything becomes a cycle  
Up today on your face tomorrow  
Get depressed or frustrated  
Sometimes you cry  
Then a Word comes to encourage you  
Dry your eyes and see you thru  
Our Savior Jesus to the rescue  
Now you living blessed  
Passing every test  
Live a season of happiness  
Then one morning the sun doesn't seem to shine as bright

When temptation impulses come they rape and beat you  
Violate and then they leave you  
Never knew what could it control your mind  
But it's not over there is hope for you to live again  
Repent  
God loves you  
Just seek His Face  
Get the Word  
Renew your mind  
To fight impulses

There is no way of escape because you chose life  
Every time you look there will be trouble on every side  
So fight  
Fight  
Fight for your life  
I love you child your mine  
And it's all right  
Everything's all right  
Now go and fight  
It'll be all over in due time  
Now I know that it's all right  
Gonna be all right

I am Christ!  
You gave your life to me  
Now you must fight  
And show the world your mine  
I'm by your side  
U have the victory  
YEAH!  
Do you believe me?  
Do you have faith in me?  
Do u trust me?  
Do you believe me?  
Do you believe me?  
Do you have faith in me?  
Do u trust me?  
Do u have believe me?  
Impulses  
You have no power in my life any longer  
Cause I trust u  
You'lll everything to me
