

Make It To Heaven

Mali Music

Jumping out of the frying pan into the fire
Always screaming out the devil is a liar
Truth is we've all lost touch
And I don't think the devil talkin' that much
People pitching their tents in Kadesh nice clothes
To adorn your Lord... flesh
Million dollar homes, big checks
Nice whips, cash, sex
Is all you hear about on the radio
Fifty million views Youtube
Pop culture got the future lookin' scary, yo
But hey, really yo what can you do?
A lot! I don't know about you
But man, I put my whole heart
Into stopping all this monotonous life
And will it work no tellin
Cause everyone tryna make it into heaven yeah

Cause er'body wanna go (yeah yeah)
Er'body wanna go (yeah yeah)
Anybody wanna go (Oh yeah)
Everybody tryna make it into heaven
Into heaven, nah (yeah yeah)
Into heaven, nah (Have mercy God)

In this circle so much, I'm nauseous
I'm so sick of materialistic nonsense
So I made a whole disc of hits, Mali is
Making the dead arise live, consciousness
Don't blink, keep watchin' this
He's always been there, yeah my God in this
Changing skeptics in an optimistic class
Turning all the haters into boxing bags
Behold, I do a new thing
And the great-I-am is the true thing
The blood of Christ Red, it's the new Black
And Good is the New Bad
So in that case, you Bad
And man that boy stupad
And he's puttin' in work I'm tellin
Cause everyone tryna make it into heaven, yeah

Cause er'body wanna go (yeah yeah)
Er'body wanna go (yeah yeah)
Anybody wanna go (oh yeah)
Everybody tryna make it into heaven
Into heaven, nah (yeah yeah)
Into heaven, nah (have mercy God)

This life ain't mine, it's Yours
Please have mercy, Lord
These lives aren't ours, they're Yours
Please have mercy, Lord
Sometimes, lookin' at 'em, can't tell
He bought em with his life, seems like a bad cell
But He knows best, I give him mine
Maybe you should... ugh never mind

I gave him mine, that's enough
I rock with him, knuckle up
I'm comin' in, I've been knockin'
But no one answered, so I walked in
S'up! I'm movin' in
I got yo roll bones, throw 'em in
And I'm about to change a game, I'm tellin'
Cause everyone tryna make it into heaven

Cause er'body wanna go (yeah yeah)
Er'body wanna go (yeah yeah)
Anybody wanna go (oh yeah)
Everybody tryna make it into heaven
Into heaven, nah (yeah yeah)
Into heaven, nah (Have mercy God)
This life ain't mine, it's Yours
Please have mercy, Lord
These lives ain't ours, they're Yours
Please have mercy, Lord
Cause er'body wanna go (yeah yeah)
Er'body wanna go (yeah yeah)
Anybody wanna go (oh yeah)
Everybody tryna make it into heaven
Into heaven, nah (yeah yeah)
Into heaven, nah (Have mercy God)
