

# Walking Shoes

Mali Music

Got my walking shoes on  
Can't tell you where I'm going  
But I'm walking down this lonely road  
But at least the scenery is beautiful  
And no matter what I do I can't stop walking no  
I know it's the only way to go  
And if I keep walking I'm a be ok  
It's not always about knowing why  
Sometimes it's all about knowing what  
And that's enough to keep you walking everyday

Yeah I believe, I believe  
But it's a dream that I ain't seen yet  
Chasing a dream that I ain't dreamed yet  
But I'm a meet it halfway if I keep on walking, walking, walking  
If I keep on walking, yeah I know it  
When I see it walking, walking when I see it walking

Always waiting for something good to find you  
But if it don't come what are you gone do  
And that's why I'm walking, walking, walking  
Gotta keep on walking (walking shoes, walking shoes)

Hey, I tell you when you've got a made up mind  
Even though winter feels like summertime  
In the night you see the light of day  
Cause I've been blind for way to long  
And you can't take my light away  
Even though all my times aren't happy times  
I get unsure and hope for brighter days  
I never let it slow my pace  
So knowing failure ain't an option  
And I've been promised  
And I'm on my way up

Said I believe, I believe  
But it's a dream that I ain't seen yet  
Chasing a dream that I ain't dreamed yet  
But I'm a meet it halfway if I keep on walking, walking, walking  
If I keep on walking yeah I know it  
When I see it walking, walking, walking when I see it walking

Always waiting for something good to find you  
But if it don't come what are you gone do  
And that's why I'm walking, walking, walking  
Gotta keep it walking (walking shoes, walking shoes)

One step, two step, two step, three step  
One step, two step, three (walking shoes, walking shoes)  
Thy Word's a light unto my path  
A lamp unto my feet  
These shoes, these shoes, these shoes my shoes (walking shoes, walking shoes  
)  
Walking towards the promise  
Walking to a better land

Said I believe, I believe

But it's a dream that I ain't seen yet  
Chasing a dream that I ain't dreamed yet  
But I'm a meet it halfway if I keep on walking, walking, walking  
If I keep on walking, yeah I know it  
When I see it walking, walking, walking when I see it walking (walking shoes  
, walking shoes)

Walking shoes, walking shoes
