

# What You Done

Mali Music

No way I forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King  
Oh I won't forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King

Now I felt fine  
I'm over your water  
Now I can fly, flowin' the water  
You could take a dive, go in the flow  
Goin four at a time  
(Flow goin' flow goin' four at a time)  
All in the world, all in the sky, all in the water  
Power resides with my King  
Yeah, yeah, he's mighty yeah  
Whoa

There's no way I forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King  
Oh I won't forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King

Twenty and four my King  
Twenty and four my King  
I was a day out of here  
Pressing to be more my KING  
I could be more than this  
Try to be more like you  
Try to be more like this  
Keeps comin' back to you  
I gotta know Your face  
Gotta know Your truth  
Try to be more than me  
Yeah, it's supernatural  
Healing them, feeling  
Getting close now

And there's no way I forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King  
Oh I won't forget what you done  
'Get what you done for my people  
I won't forget what you done for me  
'Get what you done my King, yeah

Na-na  
Hoo-uh, hoo-uh, hoo-uh, hoo-uh  
Na-na  
Hoo-uh, hoo-uh, hoo-uh, hoo-uh

Na-na  
Hoo-uh, hoo-uh, hoo-uh, hoo-uh  
Na-na  
Hoo-uh

And there's no way I forget what you done  
'Get what you done for my people  
'Get what you done for me  
'Get what you done my King  
'Get what you done  
'Get what you done for my people  
'Get what you done for me  
'Get what you done my King
