

Baptism Of Blood

Malice Mizer

Blood feels desire
Proud of the crimson
Flowing the body
Demanding a prisoner
Erode everything
Follow your instincts

With rapture and madness
Erode everything
Pursue an ideal

Desperate howls lurk inside the blood
Everlasting is passing away in vain
Giving you what you want
In this dazzling ceremony

Baptism of Blood

Resound Beast - voice
Moment of death
Resound Beast - voice
Moment of birth
