

Controlled experiments to create esoteric weaponry.  
Abandoned government silo with a genetic past.  
Robotic drones, minds wiped out.  
Embodiment of perfection, biologic sentries.  
Covert operations that involve human guinea pigs.  
The new settlement learns of these atrocities.  
Tagged for processing, manipulate biology  
Forced integration, eugenic appropriation.

Reading reports of ghastly events that transpired.  
Grotesquely intricate describing the carnage.  
Menacing and uncivilized.

Feverishly exhausting all of the energy.  
Devouring files of unpredictable consecration.  
Cannot tear away from the unspeakable torture  
Gene manipulation on an unrivaled scale.  
Cling to your humanity, sickened by the truth of what  
happened here.

Experiments intertwine and the end result always the  
same.  
How could our administration sanction this casualty  
rate?  
Fallout from this knowledge would have brought down the  
regime.  
Consecrate the ideals of this sovereignty.

Horrorified these creations may still lurk within  
Pathetic, vile creatures forced to endure the anguish.

Experience an ominous presence that takes hold.  
Psychosomatic disturbances demanding attention.  
Imagination has engraved assimilated psychosis.  
Reality has been skewed and marred, evaluate your  
current state.

Reading reports of ghastly events that transpired.  
Grotesquely intricate describing the carnage.  
Clinging to all of your humanity.  
Sickened by the truth of what happened here.
