

## Pathological Imperative

### Malignancy

Formulate enigmatic archetype  
Contentious nature correlates with origin  
Anomaly of human variation  
Produced, packaged and sold  
Skillful assembly, genetic motif  
Hidden from public view, ulterior motive  
Faulted hybrid, indefinite exile  
Groomed for potential mutiny  
Stifle the voice of conjecture  
Plausible deniability  
Confirm to deny, factual evidence  
Encumber the truth  
General public shielded from miscreancy  
The powers that be eliminate without provocation  
Escapees must not bear witness  
Intrigued by the congregations  
Science's bastard son  
Evolving next generations  
Freedom from exalted ones  
Innocuous biped learns anew  
Unilateral thinking, comprehension  
Survival instinct, cellular miracle  
Plausible deniability
