

A social concept that operates on currency.
Peaceful coexistence was never a defining attribute.
Non-reclusive by design, forced into seclusion.
Introverted mutants shy from the light.
Segregating oneself from the establishment.
Draw from the teaching of the past, spiritual
validation.

With the advent of disagreement the colony is divided.
Many years of decaying relationships climax with
separation.
Created hierarchy failure.
Chemical imbalance dictates secession.

Embrace freedom away from technology.

Consistent in the routines that make us comfortable.
Breaking of rituals, reinvention of living.
Forced labor, capitalize on the ignorant.
Subjugate the mutants, enslaved for divergence.

Embrace freedom away from persecution.

Making decisions based on liberation.
Isolation from those who taunt.
Leaving the safety of the complex
To live in the vast corridors that surround.

With the advent of disagreement the colony is divided.
Many years of decaying relationships climax with
separation.
Created hierarchy failure.

Chemical imbalance dictates secession.
Insurgence for these anomalies of human variation
Indentured servants that will pay in blood.
Fledglings on a new path of self discovery
A new faction emerges, insensate and cruel.
