

## Someday

Malika Ayane

Someday, i'll fly  
i'll be with you  
Let It go  
there's nothing that can go wrong  
i'll be with you

Bye and Bye Bye  
Riding the clouds with angels  
Day by day by day  
Chasing a missing mountain

Someday i'll give, my truth to you  
take it all  
You see that i'm weak and strong  
i'll try for you

Bye and Bye Bye  
Riding the clouds with angels  
Day by day by day  
Chasing a missing mountain

try,try,try  
i'm raining to chase the rainbow  
day by day by day  
Chasing a missing mountain

bye and bye and bye

someday i'll fly..i'll be with you
