### Man Overboard

Wait! Stop! I'm not ready.  
She left me dead in the van.  
My stomach feels like it's burning.  
I tried to write but I can't.

So now I lay with the yearning to know anyone but any of you.  
If you only knew the amount of thought that I put into you.

And I can't stop thinking about the way this one called my name

.

Before we pulled out of the driveway  
Just to tell me to check my messages  
Don't need to tell me about my messages.  
There's a few that I've been putting lots of myself into.

Fuck it, hang up.  
It's not easy like it was in the fifth grade.
