

# Heart Attack

## Man Overboard

I just needed a reminder,  
So I wrote it over every single thing that I own  
I made it far enough to find her  
But will I ever be a big enough man to take her home

I cut her off for the weekend  
Cause I can't even handle you and me when I'm home  
And if she doesn't feel complete then,  
I can go ahead and wish I'm someone she's never known

You see the regret in my weary eyes  
(I'm sick from lies)  
You live in pieces in your second life  
(You miss your mind)

It's time for me to leave  
I'm now feeling diseased  
Cause in the next few weeks I will be fighting through all my troubles  
It's hard for me to just pick up and leave  
Cause in the next few weeks I will be fighting through all my troubles

Moving on to a new life, and I forgot about every single person I know  
It's so sad We won't think twice (think twice)  
Just call it off, fold, pack a bag, and head on home

You see the regret in my weary eyes  
(I'm sick from lies)  
You live in pieces in your second life  
(You miss your mind)

It's time for me to leave  
I'm now feeling diseased  
Cause in the next few weeks I will be fighting through all my troubles  
It's hard for me to just pick up and leave  
Cause in the next few weeks I will be fighting through all my troubles

You miss your mind  
You miss yourself  
You miss your family and your mental health  
The kids are getting older  
The family has grown

You look at your life now and your mind is blown  
Don't play with forever  
You did it from the start  
I once was so strong  
Attacked by my own heart  
Attacked by my own heart

It's time for me to leave  
I'm now feeling diseased  
Cause in the next few weeks I will be fighting through all my troubles  
It's hard for me to just pick up and leave  
Cause in the next few weeks I will be fighting through all my troubles  
(all my troubles)

(It's time for me to leave)

You miss your mind  
You miss yourself now  
You miss your family  
You miss your mind  
You miss yourself now  
You miss your family  
(all my troubles)  
You miss your mind  
You miss yourself now
