

Triumph of the Day

MAN WITH A MISSION

What in the hell are you looking for
We know that you always wanted more
Come and say what you wanna say
And we will sing all aloud today

Say yeah yeah yeah
Sing the triumph aloud today
Say yeah yeah yeah
Sing it aloud let us laugh away

What in the hell did you wanna be
One way you'll find your only key
Another calling to let it free
And we can sing all along to say

Say yeah yeah yeah
Sing the triumph aloud today
Say yeah yeah yeah
Come and do it all once again

Say yeah yeah yeah
Sing the triumph aloud today
Say it aloud let us laugh again

Say yeah yeah yeah
Never let them decide your way
Say yeah yeah yeah
Sing the triumph aloud today

Say yeah yeah yeah
Say yeah yeah yeah
Sing the triumph aloud today
