Triumph of the Day

MAN WITH A MISSION

What in the hell are you looking for We know that you always wanted more Come and say what you wanna say And we will sing all aloud today

Say yeah yeah yeah Sing the triumph aloud today Say yeah yeah yeah Sing it aloud let us laugh away

What in the hell did you wanna be One way you'll find your only key Another calling to let it free And we can sing all along to say

Say yeah yeah yeah Sing the triumph aloud today Say yeah yeah yeah Come and do it all once again

Say yeah yeah yeah Sing the triumph aloud today Say it aloud let us laugh again

Say yeah yeah yeah Never let them decide your way Say yeah yeah yeah Sing the triumph aloud today

Say yeah yeah yeah Say yeah yeah yeah Sing the triumph aloud today
