

# Good Day

## Manifest

The sun is shining like it's gonna be a good day  
My girl's smiling likes it's gonna be a good day  
Ain't' gonna be stressing out, I'm gonna twist and shout  
It's gonna be a good day, a good day

I'm walking out the door  
Don't know what's in store  
I got my sneakers on  
I'm feeling like I'm steaming hot  
I jump in my car, oh dang it's 9'0clock  
I see a finger flip my mirror like it's my fault  
To the left, left, turn to the right, right  
I better step, step, fast caught another light  
I got 5 little itty bitty minutes  
To pick, pick it, pick it up, or I'm finished  
Yeah, I'm a little misunderstood I'd change it if I could  
But I know it's gonna be all gggg-good

It's gonna be a good day, a good day  
It's gonna be a good day, a good day  
When things are going my way, my way  
It's gonna be good, gggg-good

Whatever comes my way, it's gonna be a good day  
It's gonna be okay, it's gonna be a good  
Because I know it's gonna be a good, good day  
It's gonna be a good day, a good day

Again I'm late for work  
I'm feeling like a jerk  
I wanna curse and go berserk,  
And kick some furniture (KICK IT)  
I see my boss, he sees me,  
I see the clock, I can't leave  
He waves me over coming closer  
I wipe the dirt off my shoulders  
Take a deep, deep breath, let it go  
Don't freak out get control  
Don't w, w w, worry, I warned ye  
Can't let this stress get on ye  
Sh, sh, shake it off, br, br, break it off  
Superstitious, knock on wood  
Don't worry it's all good,

It's gonna be a good day, a good day  
It's gonna be a good day, a good day  
When things are going my way, my way  
It's gonna be good, gggg-good

Whatever comes my way,  
The sun is shining like it's gonna be a good day  
It's gonna be ok  
My girls smiling like it's gonna be a good  
Because I know it's gonna be a good, good day  
Ain't gonna be stressing out, I'm gonna twist and shout  
It's gonna be a good day, a good day
