I used to feel some guilt  
Now I just feel empty  
I wasn't supposed to bend  
Least not this quickly

I wanted to walk  
Oh you, you wanted to run  
I wanted to talk  
Oh you, you wanted to slide

I want to believe  
I've got to believe

I used to feel some thrill  
Now I just feel thrifty  
I tried to clear my pain  
I just made it empty

I wanted to walk  
Oh you, you wanted to run  
I wanted to talk  
Oh you, you wanted to slide

I want to believe  
I've got to believe

So I wanted to walk  
Oh you, you wanted to run  
I wanted to talk  
Oh you, you wanted to slide
