

It's Enough Now

Mandalay

You know there's still a sense I have you've stolen these days
all your love
Is here
If love is given in to hope you're fooling yourself it's as if
you knew all
Along
It's enough now it's your loss now it's just that I'm low it's
enough now
It's your loss now it's just I don't know
You know you steal the sunlight how you steal your own scene st
ill oh no no
You're reasonable if hope is given in to how we need to be now
it's as if
You knew you knew all along
