

## Please

## Mandalay

Speak low  
And I feel light  
I've fallen at your feet  
I raise my voice to hear you speak  
I'm lost to you  
High

I feel alone  
Say please  
And I go weak  
Your hands around my arms  
The strength you have to hold me down  
I'm asking you  
Why

I feel alone  
Come to me and speak low  
Come to me and speak low

Please  
I go weak  
I've fallen at your feet  
I raise my voice to hear you  
Speak I'm lost to you

I feel alone
