

## Not Guilty

Mandisa

I stand accused  
There's a list a mile long  
Of all my sins  
Of everything that I've done wrong  
I'm so ashamed  
There's nowhere left for me to hide  
This is the day  
I must answer for my life

My fate is in the Judge's hands  
But then He turns to me and says

I know you  
I love you  
I gave My life to save you  
Love paid the price for mercy  
My verdict not guilty

How can it be?  
I can't begin to comprehend  
What kind of grace  
Would take the place of all my sin?

I stand in awe  
Now that I have been set free  
And the tears well up as I look at that cross  
'Cause it should have been me

My fate was in the nail scarred hands  
He stretched them out for me and said

I'm falling on my knees to thank You  
With everything I am I'll praise You  
So grateful for the words I heard You say

[Chorus]
