

Temporary Fills

Mandisa

People goin on and on
They don't know what they got wrong
This world won't keep you satisfied
You gotta buy this
Wear this, drive that car
'Cause that's the kind of thing
That makes you who you are
But don't keep throwin that my way

No more temporary fills
I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix
Jesus your love is all I'll ever need
No more temporary fills

I've turned every rock and stone
Gone everywhere there was to go
But I only felt better for a while
'Cause nothin can replace you
Erase you from my heart
And that's the kind of thing
That makes you who you are
Your the reason I can say

No more temporary fills
I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix
Jesus your love is all I'll ever need

And nothin temporary could ever make me
Feel the way you do
'Cause what you've given to me
I know that it will last my whole life through

Woah
No more temporary fills
I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix
Jesus, your love is all I'll ever need
No more temporary fills
No more
No more
No more
No more hidin'
