

Baby

Mando Diao

Baby my heart is beating for anyher baby
She's got me on my knees to say my last pray
I said when she left me

Ooh baby my heart is beating for anyher baby
She's got me on my knees to say my last pray
I said when she left me

What the wind keeps slowly down the tender streets
Only God knows, I stoped all my wandering
Why you can't be to my misery
I though I told you, I'm better of all by myself then with anyo
ne else

Baby my heart is beating for anyher baby
She's got me on my knees to say my last pray
I said when she left me

So the light is shinning on my house again
This ones for you baby
All the lies that I told you
So we die and all the dreams come true for ones
Believe me, I was alone anything I was waiting for my

Baby my heart is beating for another baby
She's got me on my knees to say my last pray
I said when she left me

Baby my heart is beating for another baby
She's got me on my knees to say my last pray
I said when she left me

Baby my heart is beating for another baby
She's got me on my knees to say my last pray
I said when she left me
Ooh, ooh, ooh
