

Chet Baker

Mando Diao

Stop your crying oh little boy
'cause I know a place that you will enjoy

It's a place that's full of diamonds and toys
And Chet Baker's playin' trumpet there
So go there now
Enjoy Go there
Don't feel low
'cause Chet Baker's playin' trumpet alone
For you

Don't you worry that girl is gone
Don't you worry for the things that she's done
Just relax, you still got time to go on
'cause this place is openminded to you
So go there now Enjoy
Go there Don't feel low '
cause Chet Baker's playin' trumpet for you
Alone
