And it was easy said To get your sister and you to bed And ohhh
hh, Christmas could have been good Ohhhhhh, Christmas could hav

still

Your house is made Of blood and tears You want to pray From the

still Christmas could have been good Ohhhhhh, Christmas could
have be He's got a cd With a music on And he won't see your ang
er at all

But it was easy said To get your sister and you to bed But ohhh
hh, Christmas could have been good Ohhhhhh, Christmas could hav
e been good It's a shame that you have with a family affair but
still Christmas could have been good Ohhhhhh, Christmas could
