

For the Tears

Mando Diao

Ohohoh. Ohohoh

She tried to breath but it's too hard on the sea I saw her tryi
ng from the shore I didn't dare to say the beautiful lie The wa
ter lights her anyway

For the tears, For the tears, For the tears I took her lie For
the tears, For the tears, For the tears I took her lie

Ohohoh. Ohohoh

They tried to scream but it's too hard when you're wound I wave
d them goodbye anyway They've never given me the tears 'til thi
s day I guess I won in some odd way

for the tears, For the tears, For the tears I killed them all F
or the tears, For the tears, For the tears I killed them all
