

If I Leave You

Mando Diao

Burning your fiddle that's an easy job If you set the twilight reelin
g
I've got 15 cents is that alright with you, no you didn't want that ba
d
And your dad is rich but your brother's poor and your children sing c
ome on
Come on!
Join my circle now, make me a man, but always remember this

If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back soon)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back)

Driving your car at Baker Street, it's a sin to go on uppers
You've got a new TV and a heart of gold, but you're not allowed to smi
le
And your dad is rich but your brother's poor and your children sing c
ome on
Come on !
Join my circle now, make me a man, but always remember this

If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back soon)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back, come back to you)

If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(I've got nothing left to come back to)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(I've got nothing left to come back to)
If I leave you
(I don't wanna be a part of you)
If I leave you
(no, I don't wanna be a part of you)
If I leave you
(I don't wanna be a part of you)
Your Mama will die
(no, I don't wanna be a part of you)
at the wrong time
