Burning your fiddle that's an easy job If you set the twilight reelin
I've got 15 cents is that alright with you, no you didn't want that ba
And your dad is rich but your brother's poor and your children sing c
ome on
Come on!
Join my circle now, make me a man, but always remember this
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back soon)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back)
Driving your car at Baker Street, it's a sin to go on uppers
You've got a new TV and a heart of gold, but you're not allowed to smi
And your dad is rich but your brother's poor and your children sing c
ome on
Come on !
Join my circle now, make me a man, but always remember this
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back soon)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(don't think that I will come back, come back to you)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(I've got nothing left to come back to)
If I leave you
(and I think I'm gonna leave you soon)
At the wrong time
(I've got nothing left to come back to)
If I leave you
(I don't wanna be a part of you)
If I leave you
(no, I don't wanna be a part of you)
If I leave you
(I don't wanna be a part of you)
Your Mama will die
(no, I don't wanna be a part of you)
